

## FIRE EVACUATION PROCEDURE

In the event of a fire within my home while I am caring for child(ren): I will.

- Calmy gather the children. Pick up my mobile phone and house keys (to leave the premises)
- Leave the setting by the nearest, safest exit.
- I will stand with the children as far away from my house, at a safe distance this would be at the front of the house on the opposite side of the road.
- First, I shall phone for the fire services and next I shall phone all the *children's* parents and ask them to collect their children.

I practice a fire drill with the children every term and keep a record of it.
